## **PACIFIC PACKAGING ANNOUNCES MOVE TO NEW FACILITY**

San Clemente, CA – March 25, 2002 – Pacific Packaging Machinery Inc, the leader in high speed rotary volumetric liquid fillers, today announced that they have relocated from their Covina, CA facility to a state-of-the art manufacturing plant in San Clemente, CA. The entire company will relocate to the new 30,000 square foot manufacturing facility effective April 1, 2002.

The new facility offers added capacity and the latest technology for many functional areas, especially engineering, manufacturing and testing.

The new facility will be located at 1284 Puerta Del Sol, San Clemente CA, 92673. The main phone number is (949) 369-2425. The fax number is (949) 369-2429.

### **About Pacific Packaging Machinery, Inc.**

Pacific Packaging Machinery, Inc, based in San Clemente, California, provides liquid filling equipment to the packaging industry. Founded in 1962, Pacific Packaging is widely recognized as the packaging leader for custom high-speed volumetric liquid fillers. Pacific's custom engineering, innovative research and development, in-house manufacturing and superior customer service enable the company to be at the forefront of major packaging areas including foods, beverages, personal care, pharmaceutical, household care and automotive.
